

BOUNC®

BOUNC CRICKET PROGRAMME

2024

LET'S

TAR HEELS!

HOW TO CRICKET?

EQUIPMENT INVOLVED IN CRICKET:

3 STUMPS,
ALSO
CALLED
WICKETS.
(WITH 2 BALES
ON TOP).

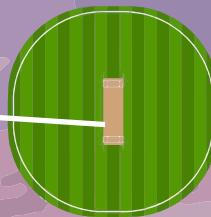

A LEATHER
BALL, \approx 7 CM
IN DIAMETER,
5.5 – 5.8 OZ
(HEAVIER THAN A
BASEBALL)

A WOODEN
BAT,
USUALLY
 \approx 3 FEET

A CRICKET PITCH, 22 YARDS (\approx 20 M) LONG WITH 2 SETS OF STUMPS ON EACH END.

PROFESSIONAL CRICKET IS PLAYED ON A CIRCULAR GROUND (WITH THE PITCH IN THE CENTRE). A BATTER CAN HIT ANYWHERE IN THE 360°.

RULES OF THE GAME:

2 TEAMS OF XI. ONE BATS WHILE THE OTHER BOWLS & VICE VERSA.

UNLIKE BASEBALL, YOU DON'T PITCH THE BALL IN CRICKET. YOU BOWL IT. YOU CAN'T BEND YOUR ELBOW $>15^{\circ}$. (CAN BE IGNORED IN RECREATIONAL GAMES).

YOU BOWL:

- WITHIN THESE LINES AND IN-FRONT OF THE BATTER (OR IT'S CALLED A WIDE)-AND
- A DISTANCE FROM THE WICKETS - NO OVERSTEPPING THIS LINE OR IT'S A NO BALL. (THIS LINE, ON BOTH ENDS OF THE PITCH IS CALLED THE CREASE).

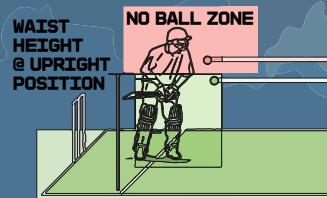

THE BOWLER MUST NOT CROSS THIS LINE WHEN BOWLING.

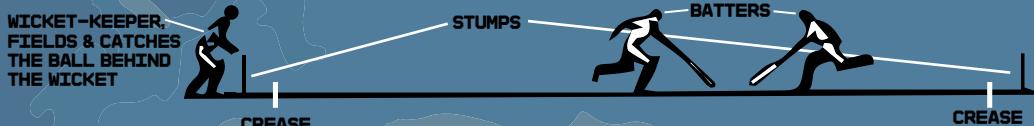

UNLIKE A PITCHER IN BASEBALL, A BOWLER IN CRICKET CAN RUN TO BOWL FASTER AND ALSO BOUNCE THE BALL.

IF THE BALL DOES NOT BOUNCE®, IT MUST STAY BELOW THE WAIST OF THE BATTER AT THE CREASE, OTHERWISE IT IS ALSO CALLED A "NO-BALL".

FOLLOWING THESE RULES, A BOWLER HAS TO BOWL 6 TIMES (A SET OF 6 CALLED AN 'OVER') WHICH FINISHES THEIR TURN AND SO COMES THE NEXT ONE.

TO SCORE A POINT (CALLED A 'RUN'), THE 2 BATTERS BY THE PITCH HAVE TO... RUN - TO THE OTHER END - CREASE PRECISELY.

HITTING THE BALL OUTSIDE THE BOUNDARIES GIVES YOU AUTOMATIC RUNS: 6 (FOR A 'HOME RUN'), 4 (IF THE BALL BOUNCES BEFORE GOING OUT).

ALSO, FOR A "WIDE" OR A "NO BALL", THE BATTING TEAM IS AWARDED AN EXTRA RUN AND THAT BALL IS NOT COUNTED.

"YOLO" - BATTERS. A BATTER ONLY HAS ONE LIFE AND ONCE YOU'RE OUT, YOUR TURN TO BAT IS OVER.

A BOWLER CAN KICK A BATTER OUT* IN MANY WAYS INCLUDING:

BOWLED: WHEN THE BOWL HITS THE STUMPS AND DISLODGES THE BAISL ON TOP.

LBW (LEG BEFORE WICKET): WHEN THE BATTER FAILS TO HIT WITH THE BAT AND IT HITS THE LEG/BODY AND THE BALL IS DEEMED TO HIT THE STUMPS.

CAUGHT OUT: WHEN THE BALL HIT IS CAUGHT BY AN OPPONITION PLAYER BEFORE IT TOUCHES THE GROUND.

RUN OUT: WHEN AN OPPONITION PLAYER HITS THE STUMPS WITH THE BALL WHILE THE BATTER IS NOT INSIDE THE CREASE.

ONCE 10 OF THE 11 PLAYERS OF THE BATTING TEAM ARE OUT, CALLED "ALL OUT", OR THEY HAVE FINISHED THE LIMIT OF THE BALLS, THEIR TURN TO BAT IS OVER. THE OTHER TEAM COMES TO BAT, TO OUTSCORE THE FIRST TEAM TO WIN.

* EXCEPT FOR A RUN OUT. A BATTER CANNOT GET OUT ON A "NO-BALL" AND THE FREE HIT ISSUED ON THE NEXT BALL.

CRICKET COMES TO Carolina!

BOUNC SEEKS TO UNITE THE BOWLERS & BATTERS OF UNC CHAPEL HILL TO OFFICIALLY BRING THE WORLD'S 1ST PROFESSIONAL TEAM SPORT TO AMERICA'S 1ST PUBLIC UNIVERSITY.
